ORDER

20-CV-3636 (JGK) (JLC)

JAMES L. COTT, United States Magistrate Judge.

By Order of Reference dated March 29, 2022 (Dkt. No. 45), Judge Koeltl has referred this case to me for general pretrial supervision. The defendant has submitted a Rule 26(f) discovery plan report (Dkt. No. 43), which, among other things, seeks a discovery status conference in approximately 90 days. Accordingly, the Court will hold a telephone conference on **June 29, 2022 at 11:00 a.m.** by telephone. Counsel should contact chambers using the Court's conference line, (877) 873-8017 (Access Code: 5277586). Defendant is responsible for making arrangements to have Plaintiff available on the telephone conference at that time.

At the conference, the Court will hear from the parties about the status of discovery, set a discovery cut-off date, and discuss the possibility of a settlement conference or referral to the Court mediation program. If the parties require any judicial intervention before the conference, they may make such requests in writing to the Court.

SO ORDERED.

Dated: March 30, 2022
